

*Aerodynamically, the bumble bee shouldn't be able to fly,
But the bumble bee doesn't know it so it goes on flying anyway*

Flying against the odds

CYCLE THE 2012 ARGUS FOR A CAUSE & HELP MAKE A DIFFERENCE

The Bumble Bee Fund are cycling for a cause, they're using the 2012 Argus Cycle Tour to raise funds for Daniel, who suffers from Muscular Dystrophy.

How can you help?

If you are cycling the 2012 Argus we will kit you out in cycling gear to the value of R1000 & will give you a 6 pack of Jordan wine to spur you along your way.

All you need to do is sell 30 raffle tickets @ R50 each, raising R1'500.

So if you're keen on making a difference & would like to stand a chance of winning some amazing prizes including an iPad 2, email Jacky at info@bumblebeefund.co.za by 15th January to get the ball rolling!
